

## **ECCLESIASTES**

There is one sin: to call a green leaf grey,   Whereat the sun in heaven  
shuddereth. There is one blasphemy: for death to pray,   For God alone  
knoweth the praise of death.

There is one creed: 'neath no world-terror's wing   Apples forget to grow on  
apple-trees. There is one thing is needful--everything--   The rest is vanity of  
vanities.
